SOURCE

It has just become known that the construction of an airfield or some other kind of installation for the Soviet Air Force will be begun in the spring of 1954 on the lands of the former new peasant settlement of Neu-Breitenbach, adjoining the Zeitz troop training grounds, from which the inhabitants were recently ejected. The whole area in the Zeitz forest is being surveyed at the present time, and officers of the Soviet Air Force are regularly seen in Zeitz.
